JUNE, 1921

Here They Come!

Reduced Railroad Rates for Wisconsin Camps

The following list of instructions will be sent in due time to every accepted camper. It is imperative that every camper "follow instructions to the letter." Read every word minutely and thoughtfully. If we lose out, it will be your fault. Old campers will remember the "exiles" in last year's camps. Who wants to be an exile?

Reduced Railroad Fares: We have been granted reduced railroad rates of a fare and one-half for the round trip for the Older Boys' and Girls' Camp Conferences at Lake Geneva. In order to benefit by this privilege, you will have to read carefully every word of the following *and do exactly as you are instructed!* Now get yourself set and obey orders.

How to Buy Your Ticket: You can buy your ticket to Williams Bay, Lake Geneva, Walworth, Fontana, Howard or Springfield, Wisconsin. Practically all the delegates buy to Williams Bay. This is the nearest station to the camp. Williams Bay is on the Chicago & Northwestern Railway. Read this again.

Dates for Buying Tickets: This is important. You must buy your ticket on June 26, 27 or 28 for the Boys' Camp and July 22-28 inclusive for the Girls' Camp. Get this straight. Go to your ticket office and get your ticket a day or two

before you start on your journey. The agent will not give you a certificate for reduced return fare if you try to buy your ticket just before the train leaves. Read this again.

Ask for Certificate! When you buy your ticket, be sure to ask for a certificate. See that your certificate is stamped with the same date as your ticket. Sign your name to the certificate and show it to the ticket agent. If the ticket agent raises the question about the rate being granted, state that the Western Passenger Association, the Central Passenger Association, the Trunk Line Association and the South Western Association have granted the reduced rate to the International Sunday School Association Conference at Williams Bay, Lake Geneva, Wisconsin. *Bring your certificate with you to the lake. DON'T LOSE IT. GUARD IT WITH YOUR LIFE.* Go back and read this again!

Receipts: Certificates are not kept at all stations. *If your agent tells you he does not have a certificate, tell him that your instructions are to ask for a receipt showing that you purchased your ticket.* This applies only in case your agent does not have a certificate. **BE DEAD**
(Continued on page 4.)

Minisino Says:

FOLLOWING the line of least resistance is what makes rivers and men crooked. Think it over. Memorize it. Resolve to do some *one* particular hard thing every day. Not something that you like to do, but something hard, and worth while. If you *can't* think of anything, write me for suggestions.

Minisino

Subscription 50 cents per year
Office of the Association, 1516 Mallery Bldg., Chicago, Ill.

DATES TO REMEMBER.

Conference Point.

Boys' Camp, June 28, July 11, 1921.

Girls' Camp, July 26, August 8, 1921.

Winnepesaukee.

Girls' Camp, August 10-22, 1921.

Boys' Camp, August 23, September 5, 1921.

First Session. The Boys' Camp at Lake Geneva will start officially with the evening session at 7:15 o'clock, Tuesday evening, June 28. The Girls' Camp at Geneva will get under way Tuesday evening, July 26, at 7:15 p. m.

Summer Railroad Schedules from Chicago to Williams Bay are now in effect. Morning, leave Chicago Northwestern Station, 8:45; arrive Williams Bay, 11:15 a. m. Afternoon, leave Chicago Northwestern Station, 3:45; arrive Williams Bay, 5:35 p. m. These are the two best trains. All campers coming by way of Chicago will want to connect with one of these two trains.

Arriving. Upon arrival at Williams Bay follow the crowd to the boat, take your suit cases and other paraphernalia with you. There will be plenty of old hands on deck to set you straight. You can't get lost. The population of the village consists of about two hundred and sixteen people and the post office cat.

Curriculum and Schedules. In this number we are giving complete schedule of classes and activities in the Geneva and Winnepesaukee Camps. Take this issue of Conference Pointers with you to camp. It will save you a lot of trouble

and make unnecessary a lot of questions you would otherwise have to ask.

Railroad Rates. All accepted Geneva campers will receive a letter from the camp directors giving the details regarding the reduced railroad fares on the certificate plan. Whether or not we get the reduced rates on the return trip depends entirely upon the campers and leaders.

Prescriptions. It seems necessary to say another word about prescriptions. A goodly number of campers on the accepted lists have not yet made good. The time is nearly here for the Boys' Camp to get under way. Any old camper who has not met his prescription cannot come back to camp. Excuses will not count. If you are working on your prescription, better drop a card to Daddy Waite and tell him you are on your way. Even if you are not sure of getting back to camp, if you are a real Geneva or Winnepesaukee camper, you will want to measure up four-fold.

This issue of Conference Pointers goes to press early in the month, before the states can make complete reports of new subscriptions. The first camp number will tell to the world the winners in the different classes in the big race. June is your final month to boost your state standing. On your mark, get set—bang! (Meaning sound of gun, you know.) Come on, you Mules, and Keystoneers! Come on, Illinois, Ohio, Colorado, Kansas, and the rest of you. Don't stop till you are in a position where the other states can't beat you and then add a few more subscriptions for good luck.

REDUCED RAILROAD RATES FOR WISCONSIN CAMPS.

(Continued from page 2.)

SURE TO BRING WITH YOU EITHER A CERTIFICATE OR A RECEIPT. Read this again. If you have a lay-over at some more important station than your own enroute to camp, you could buy your ticket to that point then re-buy on the certificate plan to Williams Bay. This latter suggestion applies only to delegates coming from smaller centers where their railroad agent is unable to supply them with a certificate.

Required Number of Certificates: We will not get the reduced fare on the return trip unless we have the number of certificates required by the Railroad Passenger Associations. If every camper

does his part, we will make it easily. It's up to you—team work counts here. If by any chance you miss out getting a certificate at your home station or at some station enroute to Chicago—careful now—buy your ticket only to Chicago and then buy another ticket at the Chicago and Northwestern Railway station on the certificate plan from Chicago to Williams Bay. Any camper who comes to the Point without a certificate will be court martialled, and it's the gang plank for you. Better read this again, too.

If You Travel on a Pass: Get your pass to Williams Bay, but buy a ticket from Chicago to Williams Bay on the certificate plan in order to help out the other campers with your certificate. You will be reimbursed the amount of fare paid from Chicago to Williams Bay.

Minimum Fare: You can not get a certificate for fare less than \$.67.

How Your Delegation Will Travel: Your state leader will write you direct regarding travel plans for your state delegation.

KINJI'S COLUMN.

To the elect:

In less than a month, the Camp-Conferences will be in full swing again at Conference Point on Lake Geneva and in six weeks Winnepesaukee will waken again to the hum of class work. It is with this fact in mind that I write this last word before seeing you in person, and in doing so it is to call your attention to several very necessary things for your comfort and the success of the camp enterprise.

First: Remember, this is a training camp and that the measure of your enjoyment is the readiness with which you come to get the most for your local Sunday School or Inter-Sunday School Council. We join work and play together—but the Camp-Conferences are not vacation opportunities. *Do not come if* fishing, boating, swimming, athletics or hikes are the features that attract you. You will get all these in connection with your training, in class and group, for service at home, but these are only items of the daily

program to the end that you may be fitted "to serve."

Second: The Camp-Conference is not a reform school, although we insist on discipline. We have no time to make anybody over in manners or common sense. The unruly, disobedient or head-strong have no place with us. The camp bars tobacco in every form and is immune to careless or vulgar speech. If you need reforming, go to the shoe-maker or the blacksmith—don't bother us!

Third: The Camp-Conference is neither a hospital nor a sanitarium, although it is particularly helpful and healthy. Its health comes from steady living, regular hours for exercise and sleep, plain food, pure air and continuous activity. *Let your physician examine you for heart and lungs, and if you are not physically sound, don't come.* The camp activity will hurt you if you take part. You'll be in somebody's way if you don't.

Fourth: When you get to the Camp-

3:20	Playground	Miss Wise	Playground

Conference, be yourself! The watch-word and law of the camp is "Be yourself at your very best." This is the only law or rule. The camper who is unable to meet the challenge is not welcome.

Fifth: Do not strive for awards. The Camp-Conference awards are given only for faithful performance. A conscientious effort to be your best—that's your cue. Leave the result to the camp leadership.

Sixth: You are to be a member of the chosen ones of North America for fourteen days—one of two hundred fifty, gathered by a hand-picked selection from

the states and the provinces of the continent. Your state will be judged by your performance.

Seventh: What friendships will you make? The days will be full to overflowing with everything worth while. Campers and leaders alike will try to help you to your best. Will you remember that you get only as you give.

Personally, I'll be interested in you. I wish to know you and to have you as my friend. My hand is ready to grasp yours now. Sincerely

KINJI.
